Kimberly Clark Credit Union exists to benefit you

Kimberly Clark Credit Union is a not-for-profit financial cooperative owned by the employees and retirees of Kimberly-Clark Corporation. We exist to benefit you and your family members, and our mission, every day, is to enrich your financial well-being.

Since we work for you, you can expect higher rates on savings, lower rates on loans, and financial services with real value that make a difference in your bottom line and in your life. While we offer most of the same services that the big banks offer,

Join your fellow Kimberly-Clark team members and do business with the credit union you own -- Kimberly Clark Credit Union

we do it without the high fees or the big bank hassles.

So, when you need to save or borrow, or need any other financial services, we hope you'll choose us—the people who work for you!

After 48 years of service, Milton Ward has retired!

Congratulations to **Milton Ward** who recently retired from the Kimberly Clark Credit Union board of directors after serving longer than any other KCCU volunteer. He also retired from the Kimberly-Clark Memphis Mill in 1994 after 27 years. During his tenure, credit union assets have grown from \$2 million to \$132 million. "We are grateful for Milton's unwavering commitment to our members and dedication to the success of our credit union," said Joel Forbess, KCCU President and CEO. "He will be deeply missed but we wish him well as he enjoys retirement." **PR#14032**
